Property Owner Time

- Lot #1605
- Inquired about the feasibility of Trails End adding a dog park so that dogs could run free. The boards response was that it's been talked about in the past and unfortunately finding space and insurance for such a thing has been difficult. PO also asked if dog runs were allowed on their property in Trails End; they are as long as the PO is at the property.
- Lot #4315
- Someone passed the hayride in their vehicle during the last hayride event. PO suggested that lights and reflectors should be added to the hayride to make it more visible as well as making sure the brake lights function so drivers can see when he's stopping.
- Lot #3909
- Spoke about how well the swim team did. There were only 40 kids on the swim team and the PO stated that parents and the community need to do more to encourage the youth to join the team.
